The Adventures of Break Dance Boy By TIMOTHY SHORTER

Ordinary kid or Super Hero?

With his electric and off-times robotic dance moves, his heart thumping and bass line pumping tunes, and his equally cool and all around comfortable Converse All Stars, Break Dance Boy threatens all those who would oppose truth, justice, and grooviness!

But where did this larger than life yet vertically challenged superhero come from? Was he an alien sent from another planet? Did his gift of groove come from a genetic experiment gone awry? There are many rumors floating around, but the real story of how Break Dance Boy came to be has never been revealed... Until now... Meet Todd Tyler, a particularly average pre-teenage boy and the least likely person to ever have anything spectacular happen to him. Like all great stories, however, it is the most unassuming person who is frequently chosen for extraordinary things!

ABOUT THE AUTHOR:

Timothy started doing hip hop as a teenager. After winning several competitions and dance championships, he opened his own hip hop dance company, which promptly won a state dance championship. About 8 years ago he spent a month touring Germany as a hip hop dancer with recording artist Danny Plett. Now he choreographs stories instead of dance moves, and to date he has choreographed five different stage plays in addition to his stories of fiction and his recently produced stage play and short film screenplay.
